IDEALS OF JESUIT HIGHER EDUCATION

The Society of Jesus proclaims that the service of faith through the promotion of justice is the mission that must be integrated as a priority into each Jesuit work. Jesuits purpose in education is to form men and women “for others”. The Society of Jesus has always sought to imbue students with values that transcend the goals of money, fame and success. We want graduates who will be leaders concerned about society and the world in which they live. We want graduates who desire to eliminate hunger and conflict in the world and who are sensitive to the need for more equitable distribution of the world goods. We want graduates who seek to end sexual and social discrimination and who are eager to share their faith with others. Ultimately, we want our graduates to be leaders in-service. That has been the goal of Jesuit education since the sixteenth century. It remains so today.

A Jesuit education is guided by the spirituality that seeks justice. Students are engaged in a process of exploring the distinctive and constructive ways in which their knowledge and talents will best serve society. Arul Anandar College imparts qualitative, value based and inclusive education to evolve a responsible and sustainable society. Due to its continuous quality conscious efforts our college has been reaccredited with ‘A’ Grade with the CGPA of 3.66 by NAAC. I would like to place before our distinguished Chief Guest and before the august body, the effective role played by our beloved staff, support staff and our students along with the Management towards achieving this inevitable record.

CHANGES IN ADMINISTRATION

As Benjamin Disraeli says

“Change is inevitable
Change is constant”

There are few changes in our administration this year. The management, faculty and students bid adieu to Rev.Fr.Dr.Antony Papuraj, S.J., former secretary, with deep sense of gratitude for his relentless and selfless service to the college. He loved norms and indeed practiced them keenly during his tenure. He showed great concern to every financial requisition put forth by the faculty. The caliber and efficiency with which he rendered his service is praise worthy. Arul Anandar College wishes him good health, peace and prosperity.

The college takes great pride and immense joy in extending heartfelt welcome to Rev.Fr.Dr.Albert William, S.J, Secretary, who had assumed his secretaryship from June 2016 onwards. He impresses the staff and students by his unassuming, humble and benevolent action. He stands unparalleled in his love for Nature which is manifested by his effort in making the campus green and clean. The College is fortunate to have such a dynamic personality. I wish him success in all his ventures.

I do extend a hearty welcome to Mr. S, Sajan Joseph and Mrs. P. Jerline Rupa as vice principals for shift – II in our college. An active, beaming, credible, and energetic person Dr. A, Shanmugaraju has been appointed as IQAC coordinator. I do welcome Mrs .S. Abirami, Dean for Women Students.

NEW APPOINTMENTS

“The secret to success is to treat every job as an opportunity to explore, rather than something that is a boring chore....”

The Management is pleased and extends a very warm welcome to the newly appointed staff members for this academic year 2016-17. I am sure that the staff will play holistic role and motivate students for higher learning, provide quality teaching, and preserve the values of this college through their devoted, determined and diligent service.

OBITUARY

The management of Arul Anandar College with heavy heart, condole the demise of **Rev.Fr.K.C.Geroge S.J.** who had served in our college as the principal for a couple of years.

He was a very simple man. He never bothered to travel even by Lories when he goes to his native place Edathuva. In 1985 he retired from his service as Principal and then took other responsibilities given to him. Though he served in various places like Chennai, he preferred to stay at Karumathur during his rest period.

Once Pope Francis made a call to all the Fathers “Please Come out of the Comfort zone, go to the poor and needy people”. Yes... Fr.K.C.G. has already fulfilled the desire of our Pope and I am sure he is caring all of us from the Heaven.

The Management of Arul Anandar College also condole the sad demise of **Mr. S. Arumugam** who expired on **10.09.2016** due to accident. He was loved by all, for his pleasant approach, hard work and patience. Meanwhile I thank the College Staff for their willingness to console and help his family. We shall pray that his wife and children to cope up with the life situation.
