

ANNUAL QUALITY ASSURANCE REPORT

2009-2010

**ARUL ANANDAR COLLEGE (AUTONOMOUS)
KARUMATHUR -625 514, MADURAI DT,
TAMIL NADU**

Preface

The AQAR of Arul Anandar College for the year 2009-2010 focuses on Quality Higher Education by providing supportive structures and strengthening extension facilities.

To enhance the teaching, LCD projectors, laptops and additional seminar halls are provided. Such facility has promoted increased number of seminars, conferences and workshops for students, scholars and teachers. Also it has strengthened the learning ability of the slow, medium and fast learners.

In order to utilize the existing infrastructure facilities to the maximum, the Management has encouraged the staff members to do research, consultancy and extension. The academia is further supported by the non-teaching who serve promptly and regularly. Further the non-teaching staff members in the college office have obtained scholarships for different categories of students from the Department of Social Welfare to a tune of Rs.68 Lakhs.

During 2009-10, Awards of Excellence are instituted in the names of former Rectors, Secretaries, Principals, and other Jesuits who worked and built this academia over the past 40 years. The Awards of Excellence for the Best Teacher in Aided, Self-Financed & Management are instituted with a citation and a cash award of Rs.1500/- . Similarly the Awards of Excellence are given to the Best Non-Teaching staff with a citation and a cash of Rs.1500/-. The Best UG student, the Best PG student and the Best student in Extension are also awarded with a citation and cash award of Rs.1000/-.

The IQAC constantly reminds the Management, Heads of Departments, the Teaching fraternity, the Non-Teaching community and the Students to enhance quality in all their activities. Arul Anandar College is moving forward each year by imparting Quality Higher Education to the students.

Fr. Dr. Xavier Vedam S.J

ANNUAL QUALITY ASSURANCE REPORT 2009-2010

PART A

PLAN OF ACTION 2009-2010

- The Management has planned to provide additional Computers and LCD to each PG department and UG Science departments. Computer interfaced facilities will be provided to the office of the Controller of Examination.
- Digitalized and visual based learning materials will be provided to the spoken English Laboratory named AACCESS.
- Fifteen additional class rooms under construction will be provided for PG departments along with Seminar Hall, Soil Conservation Laboratory, Ph.D Scholar Room and PG. Faculty Room. The newly proposed Arrupe Birth Centenary Academic Block is designed to have ramps for physically challenged students.
- As per NAAC Peer team recommendation, new Laboratories for Physics and Chemistry are planned with adequate infrastructure.
- Starting of innovative and relevant employable courses such as B.P.Ed., and M.B.A are considered and accordingly feasibility studies are conducted and the resources are planned.
- While the WILL Phone connectivity is in use, the Optical Fibre Internet Connectivity of 2 MPS is planned with the assistance of BSNL.
- The faculty members in PG and UG departments while taking up major and minor research projects from UGC and DST will be requested to plan for projects that popularize Science and Technology in rural communities.
- In collaboration with the Department of DST, DAE-IGCAR, it has been planned to pave a way for research with International Neutrino Organisation, Mumbai. Faculty members of the Department of Physics are planning to have research collaboration with International and National Laboratories in S. Korea and Indur.

As a mark of its encouragement, Awards of Excellence are instituted in the names of former Rectors, Secretaries, Principals, and other Jesuits who worked and built this academia over the past 40 years.

In commemoration of their presence and contribution, the Awards of Excellence for the Best Teacher in Aided, Self-financed & Management are separately awarded for the Best Teacher in Humanities, Sciences and Extension. They are instituted with a citation and a cash award of Rs.1500/- each (Rupees One thousand five hundred only).

Similarly the Awards of Excellence are given to the Best Non-Teaching Staff with a citation and a cash of Rs.1500/-. The Best UG student, the Best PG student and the Best student in Extension were also given Awards of Excellence with a citation and cash award of Rs.1000/-. Thus these awards instituted on 16th April 2010 have evoked a lot of excitement and interest among the Teaching, Non-Teaching and the Student communities.

Staff Tour

Staff tour is a unique feature of Arul Anandar College. A two day journey to the wilds creates moments of enjoyment, interaction and relaxation. Forty eight members of teaching staff under the guidance of Rev. Fr. Principal visited Topslip, Aliyar Dam and other places on 19th and 20th February 2010.

Family Get Together

The family members of our staff members, who are also playing an important role in the welfare of our college was brought together in the Family Day 2010 on 9th January 2010. Totally 364 members participated in the function. Various fun games were organized for the spouses and the children of our staff members.

Part C

PLAN OF ACTION FOR THE YEAR 2010-2011

In view of strengthening the PG courses in the departments of Rural Development Sciences, Economics and Philosophy, the Management has provided new Class rooms, Seminar Halls, Research Scholars' room and well-furnished Staff rooms. The seminar halls are fitted with LCD projectors and computers and electrical connectivity for laptops.

It has further fulfilled the recommendations of the NAAC committee (19th March 2008) by providing adequate laboratory facilities for the departments of Physics, Chemistry and RDS with latest scientific equipment and modules. It has also provided a separate floor for the department of RDS, Economics and Philosophy in the newly constructed Aruppe Birth Centenary Academic Block with a plinth area 11,330 sq.ft. Similarly the UG Science courses like Mathematics, Physics and Chemistry are allotted with separate class rooms and laboratories and seminar halls in De la Salle Block. During the academic year 2010-2011 we will add 15 more class rooms with Seminar Hall, Departmental Library and Computer and Digital room with a plinth area of 22000 sq.ft.

The starting of socially, economically and educationally viable and employable courses such as B.P.Ed., and MBA proposed by the NAAC peer team is presented to the Governing body and to the Management and it is to be included in the revised Master plan in 2010-2011

Intercom facilities are extended to all the departments and the Management has planned to provide the same to the laboratories and the newly constructed staff room. The Management has established the optical fibre connectivity of 2 Mbps for the MCA Department, administrative office and library.

In the beginning of the next academic year we will introduce **E-entry** registration system in the Library. E-entry system will help to find the daily library visitors status, department wise users status, staff members usage status and monthly, annual usage status. Department of Physics will be constructing a Polymer laboratory in which scholars will conduct experiments from 2010-11 onwards.

Fr. Dr. Xavier Vedam S.J
