

ANNUAL QUALITY ASSURANCE REPORT 2010-2011

PART A

ACTION TAKEN REPORT ON THE PLAN OF ACTION 2010-2011

With a view to strengthen the PG courses in the departments of Rural Development Science, Economics and Philosophy, the Management has provided new Class rooms, Seminar Halls, Research Scholars' room and well-furnished Staff rooms. The seminar halls are fitted with LCD projectors, computers and laptops. It has further fulfilled the recommendations of the NAAC committee (19th March 2008) by providing improved laboratory facilities for the departments of Physics, Chemistry and RDS with necessary scientific equipments and modules. It has also provided a separate floor for the department of RDS, Economics and Philosophy in the newly constructed Aruppe Birth Centenary Academic Block with a plinth area 11,330 sq.ft. During the academic year 2010-2011 another block with a plinth area of 22000 sq.ft. having 15 class rooms with Seminar Hall, Departmental Library and Computer and Digital room was added.

The starting of courses such as B.P.Ed., and MBA proposed by the NAAC peer team is presented to the Governing body and to the Management and it is to be included in the revised Master plan in 2011-2012.

Intercom facilities are extended to all the departments and the Management has planned to provide the same to the laboratories and the newly constructed staff room. The Management has established optical fibre connectivity of 2 Mpbs for the MCA Department, administrative office and library.

In the beginning of the next academic year **E-entry** registration system will be introduced in the Library. The Department of Physics will be provided with a Polymer laboratory for carrying out research in polymer sciences.

ANNUAL QUALITY ASSURANCE REPORT 2010-2011

PART B

CRITERION-WISE DESCRIPTION OF ACTIVITIES

Activities reflecting the goals and objectives of the Institution

The vibrant academic ambience of the college in tune with its vision and objectives reflects the acquisition of scientific temper, life skills and soft skills with social relevance and the employability of the rural students. To facilitate this, additional computers and LCDs were provided to the PG and UG Science departments. A course in communicative English 'Easy Speak' was organized for the final year undergraduates. Digitalized learning materials were acquired for the language lab. Research Projects with social relevance were forwarded to various funding agencies. Placement training with internal and external experts was organized for prospective candidates.

New Academic Programmes initiated (UG and PG)

The project proposal for starting B.Sc course in Food Technology and Catering Sciences has been forwarded to the UGC.

Innovations in curricular designs and transactions

A month long intensive Bridge Course in English for the freshers was organized from 30.06.2010 to 24.07.2010. The undergraduates were given two hours of coaching in communication, reading, writing and dramatics every day by the faculty from the English department and experts from outside.

Slow learners were given special attention by way of remedial programmes in English and other subjects outside the regular class hours.

Examination reforms implemented

- As per the TANSCH (Tamilnadu State Council for Higher Education) recommendation, the grade system was incorporated in the statement of Marks.
- The Semester Examination results were uploaded on the college website (aactni.edu.in)

Initiative towards Faculty Development Programmes

The following faculty development programmes were conducted

- Orientation Programme on *Mentor Care* for the Teaching staff on 15th June 2010
- Refresher Programme for the management and Self-Financed Courses staff members on *Enhancement of Teacher Effectiveness* on 25th and 26th October 2010.

- A Management Health Care Scheme was operated to identify students who needed noon meals and they were provided meals in the hostel

HEALTHY PRACTICES OF THE INSTITUTION

- Institutional Goals – Lab to Land – College – Village net working - 100% PT Attendance
- Pedagogical requirements – Power Points – Preparation of Course material, Use of LCD, - Zero failures, Increase the percentage of Higher level achievements
Unit tests – Comprehensive understanding of philosophy- an objective type written exam and panel for oral exams in all the major papers of the degree course. – Free use of internet for all the students on all working days.
- Global concerns – Soft skills – Communication skills and placement training for employability
- Local contact – WSC – Consumer club – Vincent-de Paul society, ARISE
- Nature of Learners – Slow learners, average learners – remedial programmes, - Fast learners – Additional Reading materials, Website visits
- Financial assistance – Scholarship – Students aid
- Competencies of staff – staff tour, family get together , Acting as resource persons, faculty seminars, Paper presentation, Awards of Excellence
- Governance requirements – Response – decentralization – Responsibilities are shared - system creation

AWARDS OF EXCELLENCE

The college is alert to register and recognize performers and their contribution to the growth and development of the institution in general and to students in particular. In this connection the Institution of Awards of Excellence serves as a quality bench mark. Members of the staff both teaching and non teaching and students who have excelled themselves in various domains are awarded a cash prize and certificate on the College day.
