Education welfare for children

On 03.09.2019 we the students of Arul Anandar College, food science and technology department, have invited Rev. Fr. Anbarasu the Director of ARISE to inaugurate the program.

On this we have provided more than 30 School students in vadakkampatti colony with Note books, Pencil, Rubbers, Pen, Geometry box. This made the children happy and we the students motivated them to study well and to develop their surroundings. We so happy and proud to be a part of this program.

SANITATION AND CLEANLINESS PROGRAMME

We organized a “Sanitation and Cleanliness Programme” in Karisalpatti village in collocation with NCC and unit of Arul Anandar College on 21st September 2019. The students of II B.Sc. RDS started from the ARISE office at 2.00 pm and reached Karisalpatti village at 2.30 pm. An introduction about the was explained to the students. All instruction was given on how to carry out the awareness programme in the village.

This programme was organized as a part of “Swachhta Pakhwada”, a Swachh Bharat programme of Department of Drinking Water and Sanitation. The objective of the programme was to create awareness among the village people on the measures to be taken to achieve total cleanliness and sanitation.

The students gathered the village people in a place where the people used to have meetings. Welcome address was given by Mr. A. Arockia Micheal Raj, Coordinator of NCC. After this a special address was given by Dr. V. Nirmal Rajkumar , Coordinator, ARISE. He delivered his address on the practices of cleanliness. Then the students carried out a demo on how to divide the waste into biodegradable and non-biodegradable and how to dispose them. They also carried out a rally on the importance of cleanliness and sanitation in the village.

TREE PLANTATION PROGRAMME

The tree plantation programme was organized on 04.10.2019 in the villages of Kottaiyur and Poosaripatti. As we celebrate the 50th Golden Jubilee year, we planned to plant 50 Saplings in each village. Therefore nearly 100 saplings were bought and carried to the village by the students. As planned in the previous day the students planted the saplings in every house. The students gathered near the ARISE office and the Rev. Dr. Palu Pragash S.J. Signalled the green flag for the students begin the program. He also planted few saplings in the villages of Kottaiyur and Poosaripatti. Totally 100 saplings were planted in the villages. The students also monitor those planted saplings in the villages every week.

WORKSHOP ON DRUG ADDICTION

Addiction is a disease in which some people live but most people kill, it does not kill them but also killed their own family. Arise of Arul Anandar College have conducted a drug addiction awareness program on 27.11.2019 at Diraviyam Arangam. All the second year students have participated at that program. Few members from a drug addiction relief foundation have discussed about the types of drug addiction and also how to get rid of drug.

People of Indian society are adversely affected by this drug. The male people have taken head and have consumed a lot of drug. The funniest thing of Indian economy is that the major income is from the TASMAs. This is the drop point of this country.

Second year students from all the departments have participated in this orientation. Rev. Fr. Anbarasu, the director, Arise, Welcome the gathering and gave a nice introduction about the resource person. The resource person J. Sahaya Franco from Jesuit Ministry to Alcohol and Drug Dependents, Nagerkoil delivered the cost of drug usage and addiction through the short film Moreover he shared his experiences with the drug addict persons and how to support them to overcome form addiction

The program was conducted on 27.11.2019 at 10.00 am to 4.30 pm. They played a short film on “ ANTI DRUG AWARENESS” and a member of that foundation

have shared their experiences that he met because of drug addiction and bitter things he faced due to drug addiction.

RALLY ON ANTIDRUG AWARENESS PROGRAM

As the quotation said and a sequence of orientation program on antidrug awareness. Mathematics (Aided) and Commerce department organized Rally on 06.12.2019 from AAC to Nathapatti and Moonandipatti villages. The Antidrug awareness quotes are written in small boards and our entire students kept with them self in that rally.

Human Rights day

All human should know their rights to live a smooth life. So in this time in our ARISE program. Mrs. Rita belong to Economics Department from our college also participated in this program. She represented a wonderful speech about Human rights.

Human rights are set of rights which every human is entitled to. Every human being is inherited with these rights no matter what caste, creed, gender, the economic status they belong to human rights are very important for making sure that all humans get treated equally.

They are in fact essential for a good standard of living to the world. When we talk about civil and political rights we refer of humans. These rights are responsible.

132th RAMAUJAN BIRTHDAY CELEBRATION

Date : 18.12.2019

Place : Nathapatti Village.

“ An equation means nothing to me
Unless it expresses a thought of God”

- Srinivasa ramanujan

Mathematics is an omnipresent. Maths is there in everywhere in the world and in every part of o our life. So we used to celebrate the Ramanujan birthday in a great manner where who found that zero has a value.

His way of maths is very simple. He used to find the answer for a question in single line. However, the brief when we used to do it just go for more than 8 pages. So we feel very proud to have such a great person as the head of mathematics.

This year we celebrated his birthday at Nathapatti village in order to get rid of afraid of Mathematics. In addition, we called many children in that village and we conducted many games regarding maths that made them to have a good entertainment and get interest in maths.

We awarded the children with some prizes. Then we also distributed the sweets to children and the people. Finally, we gave them a good speech about Ramanujan.

We told that people that how he was interested in maths. How he was solving it. Though he was living below the line of poverty, he was there with his maths. Therefore, we made them to know about him. In addition, we all enjoyed Ramanujan birthday with the Nathapatti village people. Moreover, we had a good time over there. Them a good speech about Ramanujan.

CYCLE RALLY ON SUMMER DEFECTIVE DISEASE AWARENESS PROGRAM

Date : 20.12.2019

Now a day there is more disease spreading in our country. The city people are getting awareness up to date by their mobile. But the village people are getting such information rare by only through the news.

So to inform about the awareness of summer disease we just went tin the bicycle to make awareness to them. When we are making awareness to them they made them self to product from the summer disease.

And when we went to the village through cycle rally and told about the summer disease to get awareness, they also understood and they started to say that just always make on awareness to us, since we does not know anything, please inform us. And we realized that we are doing something good and happy work which giving an information to us and we are doing many camp for them where which gives awareness for summer disease.

By giving an awareness of summer disease they started say that awareness to those nearby small villages. So keeping such ARISE Program is not only good or useful for us. It is more useful for the nearby village. So we feel happy for this ARISE Program. Finally behalf Arise Nilavanbu Kasayam distributed to the village peoples.
