

Policy on Seed Money for Research

Teaching, Research and Extension have been the integral part and hall mark of a University/College level educator. Therefore, a corpus amount has been created by the College management. Potential researchers from among the faculty will be awarded with the research grant from the accrued interest every year. This is to initiate, encourage and expose young staff members to undertake independent minor research and the outcome of the same be published as articles in Peer Reviewed journals recognized by UGC.

The Project period will be for one year. A selection committee will be formed under the Chairmanship of the Principal and Dean- Research as convener and senior staff as its members with ample research experience

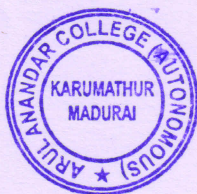

Eligibility

Preference/priority for selection will be based on the following guidelines.

1. One proposal per person.
2. First time project applicants.
3. Self Financed Section.
4. Freshers with at least one UGC CARE journal publication.
5. When many applicants from the same department, the most eligible on merit cum seniority will be selected.
6. Those with ongoing project are not eligible.

Requirements

1. On project completion, submission of a Project report and an audited statement after due settlement of the accounts must be made.
2. Only on Publishing in Peer reviewed Journals recognized by UGC will the person be eligible to apply for the Money again.
