## National Conference on

## Innovative Trends in Information Technology NC – ITIT 2025

Venue : Diraviam Arangam  
Time : 09.30 am  
Date : 19-02-2025

Organized by

Department of  
Information Technology

## About the College

Arul Anandar College, an Autonomous Jesuit Institution affiliated to the Madurai Kamaraj University has been Re-accredited by NAAC with 'A' Grade. AAC offers 17 UG courses, 9 PG courses, 3 Research Programmes and 16 Certificate courses. The college is a pioneer and forerunner in providing quality education to the rural poor and marginalized sections of society & situated 23 km away from Madurai city. The campus, spread over 48 acres, in the green rural setting, offers the students an ideal atmosphere to enhance their personal growth & knowledge.

## About the Department

The Department of Information Technology was started in 2003. It imparts the students to acquire Knowledge and Skills in the field of Information Technology by providing advanced Technologies, Managerial Skills, Soft skills, MOU, In-plant & Industrial visits. The Department also provides excellent computer lab infrastructure and improving the advanced teaching learning process with our highly earned potentialities in the academic & industries.

## About the Conference

The conference titled "Innovative Trends in Information Technology – ITIT 2025" would likely focus on groundbreaking developments, methodologies, and applications within the IT industry. This Conference provides a platform for collaboration among industry leaders, academics, and technology enthusiasts to discuss i) Exploration of Cutting-Edge

Technologies like AI, blockchain, quantum computing, IoT, and 5G. ii) Addresses contemporary issues such as cybersecurity threats, data privacy, and sustainability in IT. iii) Facilitates partnerships that drive innovation and implementation.

## Call for Papers

AI and Human Touch  
AI and Indian Knowledge Systems  
Digital Twins , IoT, Sensors Fusion  
Machine Learning, Data Science  
Cloud Revolution  
Computer Vision  
Network and Cyber Security  
Future Digital Libraries  
Blockchain Technology  
Quantum Computing  
Pattern recognition  
Mobile & Autonomous Robots  
Fog Computing  
Automated Software Engineering

## Guidelines for Authors

1. The authors are expected to submit original and unpublished Paper.
2. Use IEEE – MS Word Format.
3. Maximum of two authors per paper is allowed
4. Selected Papers will be published in ISBN
5. All the paper will be peer reviewed and checked for plagiarism

### Note:

- Each Author and Co-Authors should register separately.
- Authors are requested to send paper to the Mail id – itmdeptaac@gmail.com
