CRICKET

It is a universal sport popularized since its 'first innings' in the 16th century. It is played between two teams of 11 players each. This is done by hitting the ball across the boundary or by running between wickets. The pitch is 22 yards long. There are three pairs of stumps on both the ends of the pitch. The team that wins the toss chooses either to bat first or bowl first.

GENERAL RULES :

- T-20 Cricket– It's a limited overs match format. In T-20 format, there are 20 overs for one team.
- The umpire takes all decisions in cricket; there are three umpires in cricket
- First umpire– who stands nearby stumps.
- Second umpire– who stands nearby batsman inside the circle ground.

General Rules and Regulations of Cricket:

- One team bats first while the other team carries out the fielding tactics.
- An over occurs when a bowler bowls 6 legal deliveries (overarm technique) from one wicket end. The batsmen attempt to hit the ball from the crease at the other end.
- Fielding teams must have one designated wicket keeper. Cricket regulations say he can be the only fielder allowed to wear pads and gloves.
- If the ball hits the batsman's stumps after bowling, or if a fielding player catches the ball after the batter plays it, the batter gets ruled out of the game.
- Teams switch roles after the batting team loses all their wickets or the allotted time expires.

Types of Wicket: Reasons for a batsman to get given 'out':

- **Bowled:** The ball hitting their stumps.
- **Caught:** A fielder catches the ball without it bouncing.
- **Leg before Wicket:** The ball hits the batsmen's pads impeding its line into the stumps.
- **Stumped:** The wicket keeper strikes the stumps with their gloves while the batsmen is outside of their crease with ball in hand.
- **Hit Wicket:** The batsmen hit their own wicket.
- **Handled Ball:** The batsmen handle the cricket ball on purpose.
- **Timed Out:** The player fails to reach the crease within 30 seconds of the previous batsmen leaving the field.
- **Hit Ball Twice:** Batsmen hit the cricket ball twice with their bat.

- **Obstruction: The batsmen purposely prevent the fielder from getting the ball.**
- **Overthrow: We also get runs by overthrow in Cricket.**

Inter Departmental Rules and Regulations:

- **Basic cricket rules above mentioned should be followed except LBW**
- **Upto Semifinal final will be 8 overs per team (max 2 over for one bowler)**
- **Final will be 15 Overs per team (max 3 overs for 1 bowler) – Power play will be provided**

Kabaddi (Rules & Regulation for Inter Departmental Tournament only)

Kabaddi is a popular, easy-to-learn team contact sport with its roots in the millennia-old history of ancient India and South Asia. Each team must have a minimum of 10 (ten) Players and a maximum of 12 (twelve) Players in its match-day playing squad. 7 (seven) Players shall take the ground at a time and the remaining 3 (three) to 5 (five) Players shall be substitutes. It is played between two teams of 7 players each. Players from each team take turns running across the center line to the other team's half of the court, tagging members of the other team, and running back. The more opposing team members they tag, the more points they score, but if the opposing team can physically prevent them from crossing back to their side of the court, they score no points.

Kabaddi Court:

- **Boundary lines:** The lines at the edge of the 13 meter x 10 meter court.
- **Play area lines:** These lines mark a 13 meter x 8 meter rectangular area inside the court - one meter of space separates each side from the 10 meter boundary lines above.
- **Mid line:** This line divides the court into two 6.5 meters x 8 meter halves. Each team's "territory" is the play area on its side of the mid line.
- **Baulk lines:** These lines run parallel to the mid line and are 3.75 meters.
- **Bonus lines:** These lines run parallel to the baulk lines and are 1 meter.

General Rules:

In case the raider fails to start his raid within 5 seconds the team loses its chance to raid and the opponent team is awarded a technical point.
