Respected Professors,

I would like to, first and foremost, earnestly request each one of you individually to be the 'Animators' to our students. This is a significant responsibility. You have to play a crucial and vital role in the success of this event.

Your job is to animate your groups. There are around 45 students in each group. You have to first bring them together, organize them as a group, motivate them collectively and individually, and encourage them to participate in all the events as passionately as possible.

So, let's get ready and make the day meaningful and memorable for all of us!

Looking forward to meeting you all!

With Prayers and Blessings,

Fr V. Innaci John SJ

Coordinator of Sports and Games
